Téléchargez le viewer « SL and OpenSim Viewer

FIRESTORM VIEWER

Brought to you by
The Phoenix Firestorm Project, Inc

Home About Join Second Life™ Downloads Contact Us › Wiki Classes Jira

Mac Latest version 5.1.7.55786

You can perform either a basic install or clean install on updating:

Click here for **basic install instructions**.

⚠ If you experience any problems with your viewer after performing a basic install, our first recommendation is to reinstall with a clean install. Click here for **clean install instructions**. A clean install is also the best way to avoid many potential issues the first time.

SL-Only Viewer

Full-function viewer for normal SL use, including mesh uploading.

- For SL only, 64-bit: **DOWNLOAD**
SHA1: a7d4a742cc12875e9d54b11cccea345e79d9525d

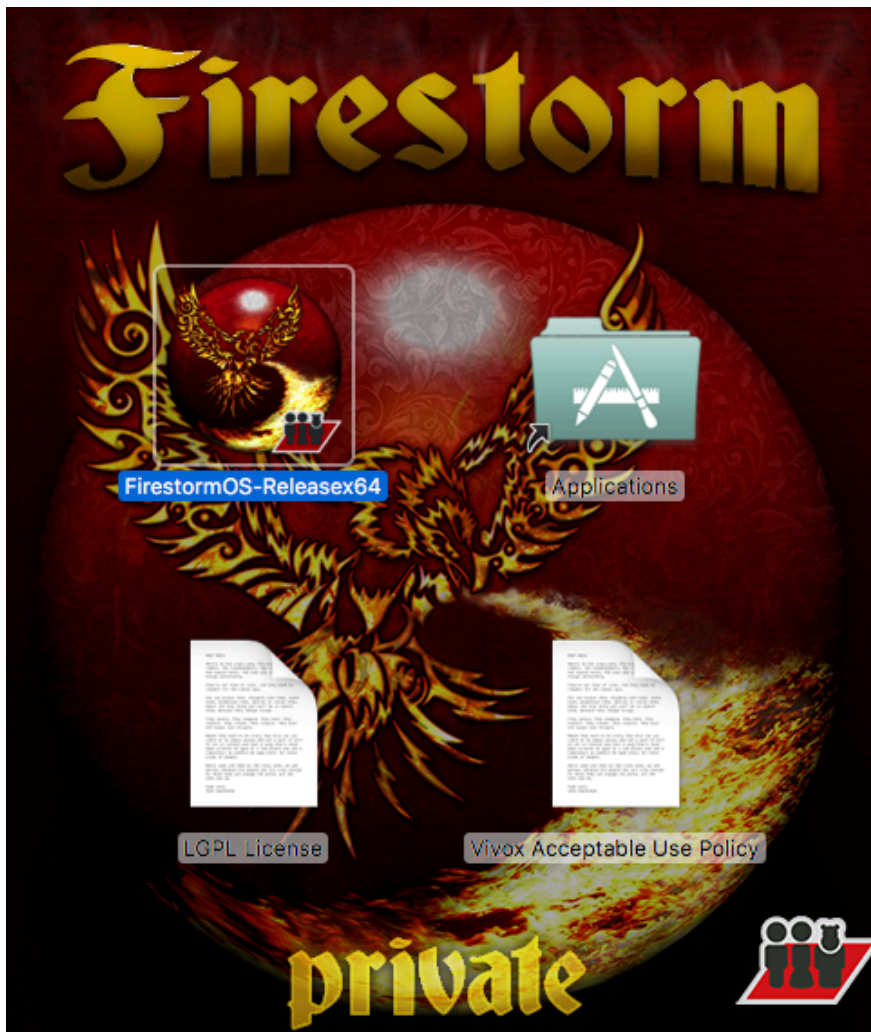

SL and OpenSim Viewer

Only needed if you visit OpenSim grids; should not be used for uploading mesh to Second Life.

- For SL & Opensim, 64-bit: **DOWNLOAD**
SHA1: 48b990d62a37c7731b35a90628cbd90e7f887461

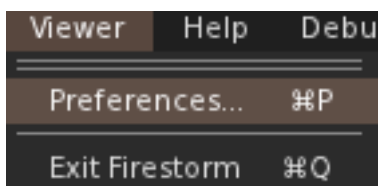

- Older versions and other downloads

Sur Mac, glissez l'application dans votre dossier Application

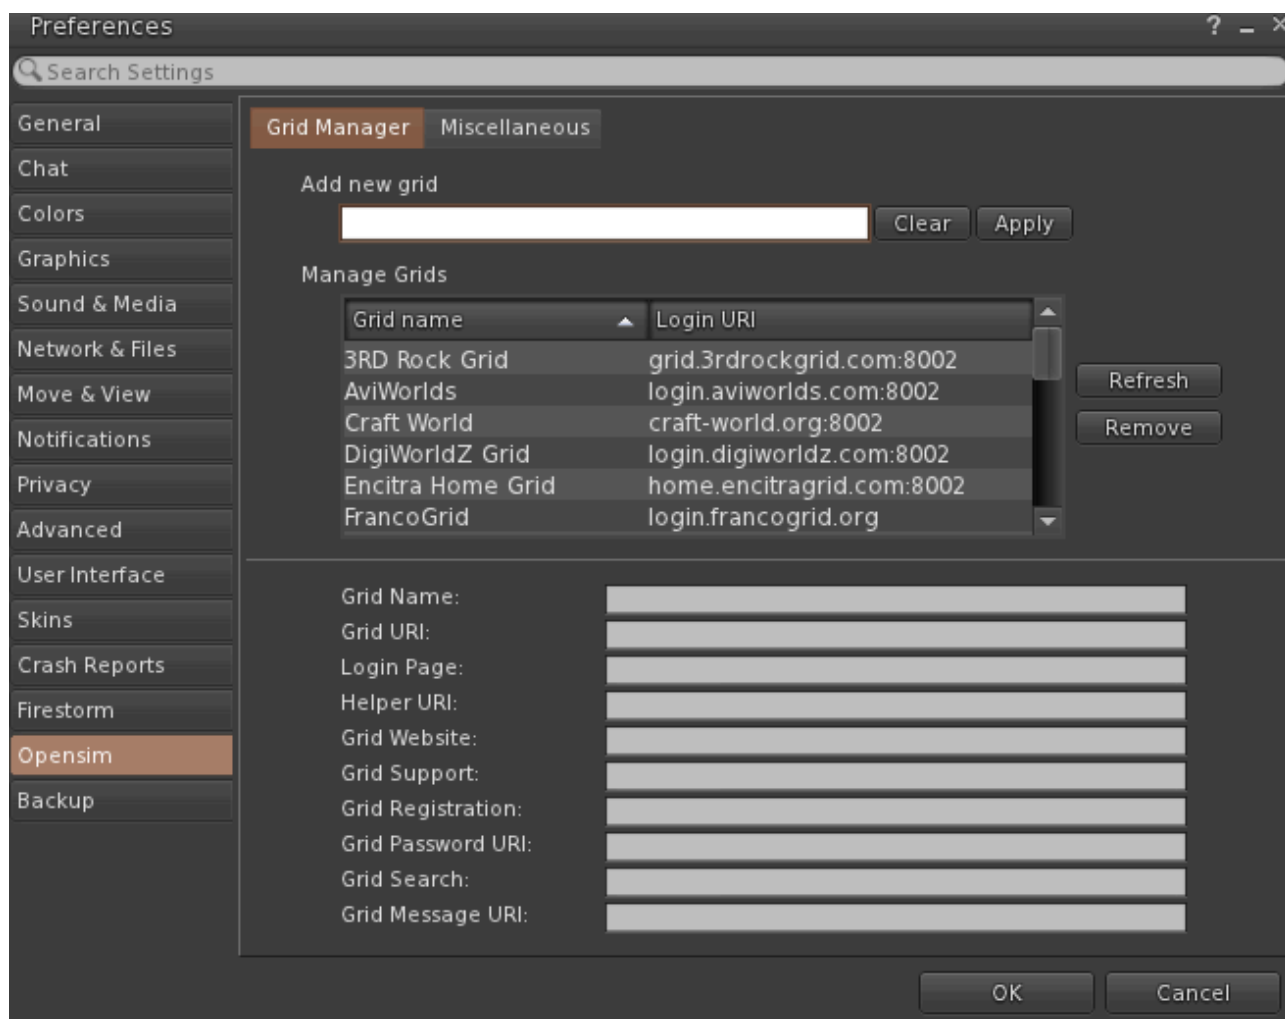

Ouvrez le logiciel Firestorm qui se trouve dans votre dossier Application.

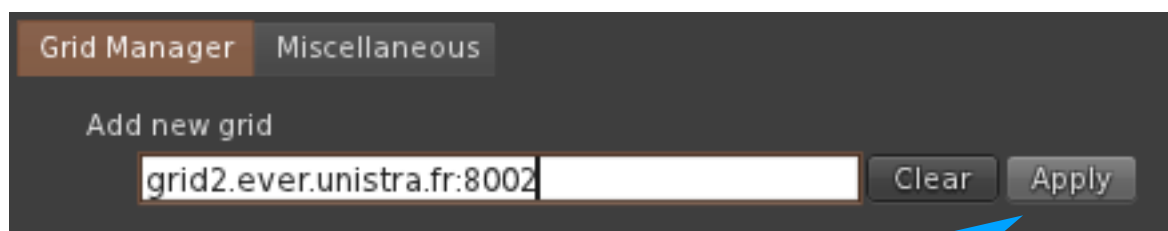

Lorsque la fenêtre de l'application s'ouvre, en haut à gauche , sélectionnez **Viewer**—>**Preferences...**

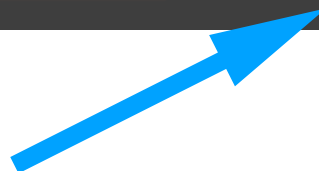

Sélectionnez Opensim dans la colonne de gauche de la fenêtre qui vient d'apparaître.

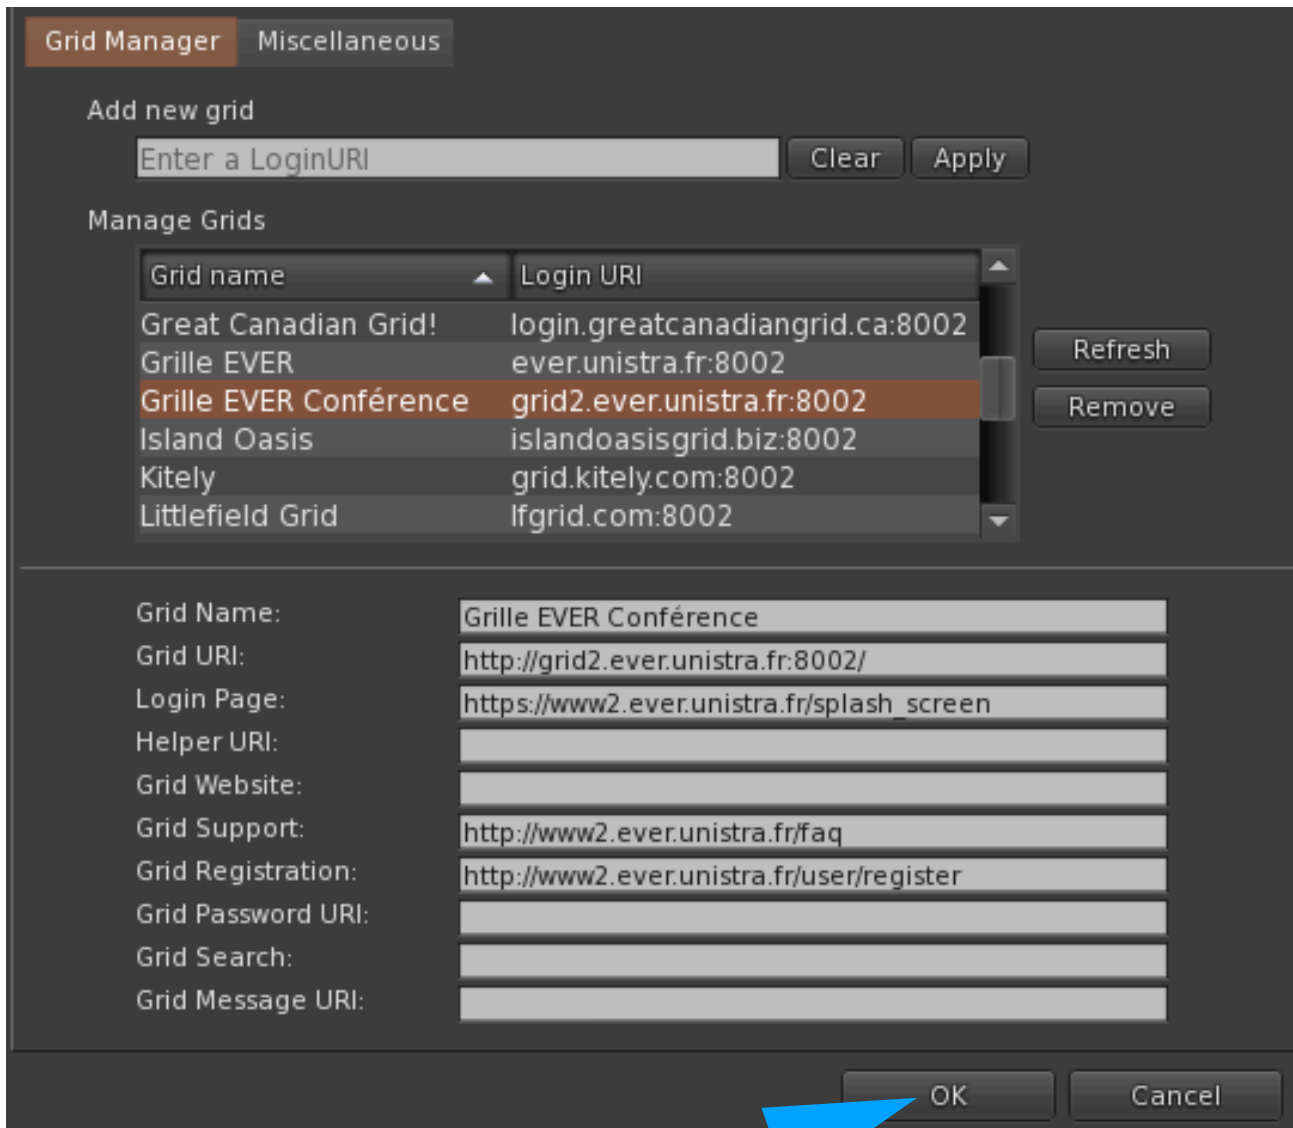

Entrez l'adresse de la grille : **grid2.ever.unistra.fr:8002**

Cliquez sur Apply

Vérifiez que vous avez bien toutes les données suivantes en recherchant dans le menu déroulant « Grille EVER Conférence » et en cliquant sur sa ligne.

The screenshot shows a 'Grid Manager' window with two tabs: 'Grid Manager' (active) and 'Miscellaneous'. Under 'Add new grid', there is a text input field 'Enter a LoginURI' with 'Clear' and 'Apply' buttons. The 'Manage Grids' section contains a table with two columns: 'Grid name' and 'Login URI'. The table lists several grids, with 'Grille EVER Conférence' highlighted. To the right of the table are 'Refresh' and 'Remove' buttons. Below the table, there is a form with labels and input fields for various grid details. At the bottom right, there are 'OK' and 'Cancel' buttons. A large blue arrow points from the text 'Cliquez sur OK' to the 'OK' button.
